

VENDOR RESPONSIBILITIES

VENDORS MUST:

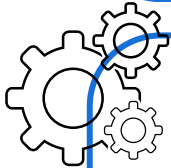

LISTING

- Provide true and accurate information on their Lots.
- Provide all accompanying documentation as required by law or by AuctionsPlus
- Nominate any special conditions of sale that will apply to the Lot.

TERMS

- Not bid on their own Lots - this is a breach of our User Agreement and some state legislation.
- Accept a Lot sold at auction or by post-auction negotiation represents a legally binding contract between Vendor and Purchaser.

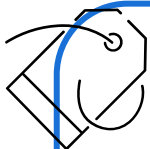

CONDITION

- Disclose damage and repair history
- Inform agent of its usage e.g. has been in shed for 5 years or used once a year, etc.
- Maintain the Lot as closely as possible to the listing before collection - Inform the agent of any changes to the machinery after listing.

INSPECTION

- Be available for inspection for potential buyers prior to auction.
- Provide clear dates for collection post-auction

PRICING

- Discuss Reserve prices with your agent
- Review and confirm prices at least 48 hours in advance of the auction and notify AuctionsPlus of any changes immediately.

POST SALE

- Be available for Purchaser collections and respond to enquiries.
- Agree to follow AuctionsPlus Dispute Resolution Framework should any claims arise.

By listing on AuctionsPlus, all parties agree to abide by AuctionsPlus User Agreement. Should a Vendor breach these terms, they risk disciplinary action including suspension from trading on AuctionsPlus.
